

JASMINE

INDIAN JASMINE EXPORTERS

- The word 'Jasminum' is derived from the Arabic word 'Yasmin.' Jasmines are famous for their characteristic smell and beautiful colours. They make a great addition to the indoor and outdoor garden. The Jasmine exporter in India exports huge quantities of the flower each year. Now Jasmine export from India is considered a great business opportunity for our local vendors and farmers to expand their businesses and enter the international market. The Indian Jasmine exporter exports several varieties of the flower to different parts of the world. Jasmine export from India has been growing due to the good reputation and the premium quality of jasmines being exported.
