

MARIGOLD

INDIAN MARIGOLD EXPORTERS

- The marigold is an annual flower that blooms very well. The plants have large, fully double flowers in yellow, gold, and orange colours. The Marigold exporter in India exports huge quantities of flowers each year. Now marigold export from India is considered a great business opportunity for our local vendors and farmers to expand their businesses and enter the international market. The Indian Marigold exporter exports several varieties of these flowers to different parts of the world. The Marigold export has been on a rise due to the great reputation and premium quality of the flowers being exported.
