

ROSE

INDIAN ROSE EXPORTERS

- **Roses are one of the most popular flowers globally. Therefore the demand for roses is huge in many countries. The Rose exporter in India exports huge quantities of roses each year. Now rose export from India is considered a great business opportunity for our local vendors and farmers to expand their businesses and enter the international market. India ranks 15th in the cut rose export in the world. The Indian Rose exporter exports several varieties of these roses to different parts of the world.**
